

Treating the World's Bumps & Bruises

DELUXE INSTANT COLD PERI-PAD

EXTRA LARGE & BODY CONTOURING

Our Deluxe Instant Cold Peri-Pad delivers cold relief to help ease pain and reduce swelling in the perineal area after childbirth or surgeries. The premium version of our regular pads, this deluxe option is the largest of them all and has a unique curved shape that contours to the body, similar to a regular sanitary napkin. It can also be applied directly to skin providing the most comfort possible.

BENEFITS

COLD THERAPY

- **Reduces swelling & bruising:** Helps soothe pain by reducing blood flow to the area
- **Numbs the sore area:** Works effectively to reduce pain

FEATURES

- Easy activation with FTP™ (Fold-to-Pop) technology
- Direct-to-skin application (no need for a cover or towel)
- Delivers approximately 4.4°C/40°F of cold therapy when activated at room temperature
- Unique curved design contours to the body similar to a sanitary napkin
- Largest size available with an adhesive strip to keep it firmly in place

AVAILABLE AS PRIVATE LABEL ONLY

We have a variety of size and packaging options available to meet your needs.
