

Treating the World's Bumps & Bruises

RAPID
AID®

PREMIUM WARM & COOL BREAST COMPRESS

WITH GENTLE TOUCH™

Our Premium Warm & Cool Gel Breast Compress delivers warm and cool therapy to help ease pain and discomfort in the breast area. It also features our Gentle Touch™ non-woven material that can be applied directly to the breast, eliminating the need for a towel or protective cover. Best used during breastfeeding, our compress also provides comfort after surgery, aiding in recovery.

BENEFITS

WARM THERAPY RELIEF

- **Helps with let-down:** When used with breast pump, reduces time spent pumping
- **Encourages lactation process:** Helps with blocked ducts and mastitis

COOL THERAPY RELIEF

- **Reduces swelling & bruising:** Helps soothe pain by reducing blood flow to the area
- **Numbs the sore area:** Works effectively to reduce pain

FEATURES

- Delivers approximately 1°C/34°F of cold therapy when stored in the freezer and 42°C/108°F after microwaved
- Gentle Touch™ material for direct-to-skin application
- Flexible/moldable, even when frozen
